EDIT BY COMTRADE

25 years

This summer, it's time to kick-start your IT career.

Do you want to boost your IT skills by working on challenging, real-world IT projects and put your teamwork and leadership abilities to the test? Apply for <u>EDIT 2021</u>, which will be taking place online, from **19ᵗʰ - 23ʳᵈ July**. It's an amazing opportunity to get a practical experience for your future IT career.

This year, we're celebrating our **25ᵗʰ EDITion**, so we decided to go BIG. We will teach our students how to manage giant enterprise IT infrastructures.Check out our <u>theme</u> „*Efficient monitoring in Enterprise environment*".

The applications are now officially open!

<u>Apply for EDIT</u> today and grab the opportunity to work on the latest technologies and learn about the newest IT trends!

For additional info, please visit our <u>website.</u>
